William Lewis (1918-2020) Art Retrospective & Sale: *Topography*

Ypsilanti, MI

May 22nd, 2021

The Michigan Art Gallery is pleased to announce a public presentation and sale of works by renowned area artist William Lewis (1918-2020). Titled "Topography", the retrospective showcases William Lewis's use of mixed media arts to explore the tension between human contrivance and intrinsic landscape. Each work presents a dynamic interpretation of historic inflection points, reveling in the limitations of 19th and 20th century conceptions of progress.

Opening with a virtual gallery on Saturday, May 22nd, the show and sale will be open for in-person viewing on Saturday, May 22nd (9:00 am to 5:00 pm) and Sunday, May 23rd (12:00 pm - 5:00 pm). The show will remain open every Saturday through the end of June, appointments available by request.

The online gallery tour will be featured on the Schmidt's Michigan Art Gallery website, www.MichiganArtGallery.com. Works will be available for purchase both online and in-person, please contact info@schmidtsantiques.com with inquiries.
